

**May 2025**

**Nineteen Highland MG Owners in 12 MGs met at Melrose on 6<sup>th</sup> May for our Spring Saunter in the Borders. The weather was marvellous, and the driving routes took in Dawyck Gardens (Dawyck apparently rhymes with Hawick which of course rhymes with Oick), the Talla Linn 1-in-5 climb, the Samye Ling Monastery, the Heatherslaw Cornmill, the Chainbridge Honey Farm, the Union Chain Bridge and the Jim Clark Motorsport Museum. The George & Abbotsford Hotel proved to be a great base with friendly staff, excellent food and an enclosed courtyard beer garden which was well frequented after some long and hot drives.**

**On 13<sup>th</sup> May, the club had a day run to Attadale Gardens (near Lochcarron). The weather in the east was haar but by Garve it lifted into a really warm day hitting 24C in the afternoon which is excellent for the time of year. The photo shows the MGs lined up in front of Attadale House.**

**We welcome two new members this month, Irene MacDonald from Avoch on the Black Isle who has an MGB Roadster and Sonja Fisker from Inverness who is former Secretary Peter Poole's daughter. We look forward to seeing both of them at our events.**
